Parent / Guardian Consent

I/We have read all the information provided and am willing to allow my child serve at Masses and other Liturgies. Furthermore, I consent for him / her to leave school under conditions agreed with the school for ceremonies when needed.

Altar servers make a commitment to assist at liturgies as required during the year and as outlined to you in Parish communications.

If you wish for your child to leave school to serve Mass (e.g. funeral / wedding) you must provide written permission to the school and to the Parish Priest. Schools can only release a child to the care of a parent or someone who has been nominated by a parent to collect them, so it is essential that the written permission outlines who will collect the child in question and escort them to and from the church
