Introduction

The Archdiocese of Cashel & Emly sees training and education as a priority. To maintain high standards and good practice it is essential that relevant church personnel, both paid and voluntary, receive appropriate safeguarding training. To this end all church personnel who work with children are inducted into the Diocesan Policy and Procedures on Safeguarding Children when they begin work in church organisations.

The Diocesan Trainers and the Director of Safeguarding will provide training and updating of policies and procedures to church personnel.

The Safeguarding Committee is responsible for overseeing the delivery and quality of the training programmes and identifying specific education and training needs.

The National Board for Safeguarding in the Catholic Church Ireland have updated the training programme, used by the trainers, based on the feedback from trainers and evaluation forms from those attending training. Therefore, the requirements for those who need to attend what training is as follows:
