

Greetings everyone,

As you know, for the health and safety of all, Public Masses have been temporarily postponed in the Archdiocese of Cashel + Emly. Priests will continue to offer their Mass for the good of the parishes they serve.

The Thurles Parish Mass will be live-streamed each morning @ 11am from the Thurles Parish Website (www.thurlesparish.ie)

Please spread the word around on social media and by word of mouth – especially to those you know who would like to attend but can't. We hope that the ability to participate spiritually in the offering of the Mass will be a comfort to many in these difficult days

Blessing on each one of you and watch out for each other.

Thurles Parish Pastoral Council
